# BT8340

## UNIVERSAL VIDEOWALL MOUNTING SYSTEM

The BT8340 is a modular wall mounting system for video wall installations of any size. The BT8340 can mount screens in landscape or portrait orientations - perfect for digital signage that needs to stand out. As part of the System X range, the BT8340 can be used in thousands of different configurations and is ordered according to your requirements using B-Tech's online configuration tool (see below, right).

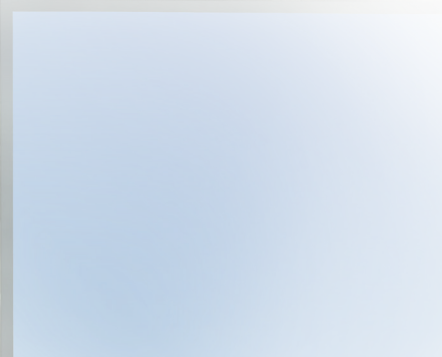

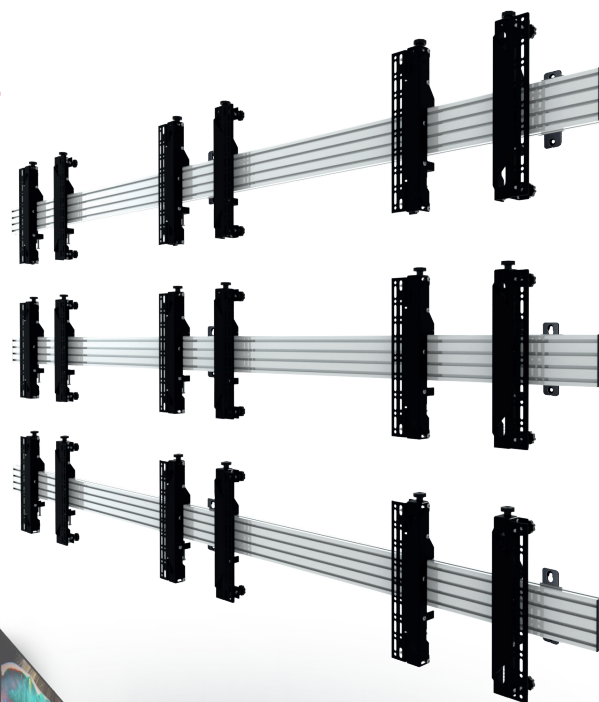

### SPECIFICATION

Recommended screen size	32" - 70"
Max load	50kg (per screen)
VESA® & non-VESA fixings	up to 900mm*
Distance from wall (fixed arms)	47mm
Distance from wall (tilt arms)	71.4mm
Distance from wall (micro-adjustment arms)	86.1mm (+/-10mm)
Colour (VESA arms)	Black
Colour (horizontal rail)	Black or Silver

\*Refers to maximum vertical fixing dimension for a typical configuration. Correctly sized interface arms and adaptors will be supplied as necessary to suit the mounting pattern you require.

### FEATURES

- Universal design suitable for all sized screens up to 50kg (per screen)
- Can be used in an endless variety of configurations
- High-end aesthetic quality
- Tool-less micro-adjustments for seamless display alignment
- Suitable for landscape or portrait mounting
- Can be used to create eye-catching, mosaic style installs (please contact your sales representative for more details)
- Multiple rail lengths available (rails can also be joined to create larger installs)
- Safety screws help prevent unauthorised removal of screens

## TECHNICAL DRAWINGS

## CREATING YOUR BT8340 KIT

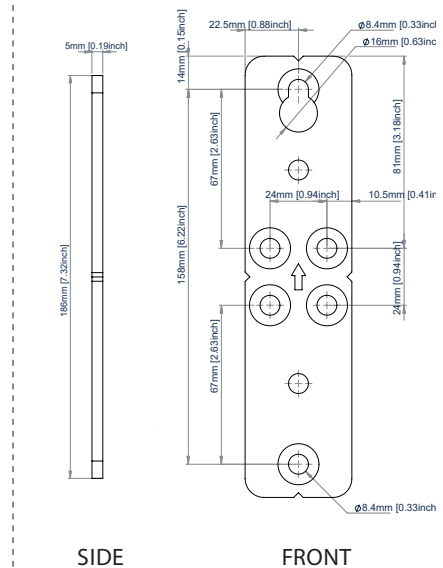

**BT8340** configurations are made to your exact requirements and, as a result, utilise a varying combination of System X components in order to create the perfect solution. Below are technical drawings for the standard components used in every BT8340 configuration: **BT8390-VESA400MAF** Micro-Adjustment Interface Arms, **BT8390-WFK** Wall Fixing Kits and **BT8390** Mounting Rails (available in the lengths shown). Please visit our System X online configuration tool at [www.btechavmounts.com/systemx-configurator](http://www.btechavmounts.com/systemx-configurator) to specify your requirements. All dimensions will be automatically calculated and a complete mounting solution with all required parts will be created for you.
